- Hand-Held Mini Fan
- USB Type-C charging cable

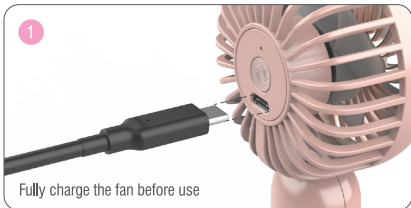

PRODUCT OVERVIEW

- A.** Hand-held mini fan blades and shroud
- B.** Hand-held mini fan body
- C.** Metal hanger
- D.** LED indicator
- E.** Power button
- F.** USB Type-C charging port

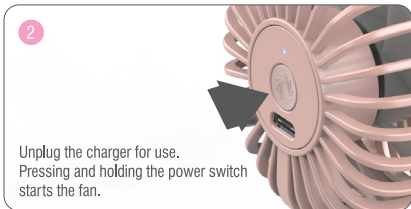

GETTING STARTED

1

Fully charge the fan before use

2

Unplug the charger for use.
Pressing and holding the power switch
starts the fan.

3

Modes:

- The initial mode is low.
- A second press engages the medium mode.
- A third press engages the maximum/high mode.
- A fourth press returns the fan to off.

Note: Charging time depends on the current battery life and the power source.

PRECAUTIONS

- This fan is designed for indoor use. Avoid using it in inclement weather.
- The fan is not a toy. Adult supervision is recommended.
- As with other rechargeable products, avoid exposure to fire or extreme heat.
- The fan should not be in a stand-up position when in use or when charging.
- Avoid getting hair and other materials into the shroud/blades.
- Use or charge at least once every three months to retain battery life.
- If the fan is to be discarded, remove and properly dispose of the battery first.
- Avoid undue stress, such as dropping the product on a hard surface.

LED INDICATORS

LED Status/Color	Mode/Status
Steady green	Fan is on
No light	Fan is off
Steady red	Fan is charging
Steady blue	Fan is fully charged

FREQUENTLY ASKED QUESTIONS

Q. Can this fan be used outdoors?

A. This fan is designed for indoor use and is not made to withstand inclement weather such as a rainstorm.

Q. What are the general performance specifications of the fan?

A. The fan is rated for 5V/1A (5W) for input with a 2000mAh battery. This enables fan flow for 8 hours, 3.5 hours, or 2 hours for each of the three switchable speeds. Charging also takes around 2 hours.

Q. Is this fan portable?

A. Yes. The fan is lightweight and of a manageable size. It also has a hanger for carry and placement.
